

# 2011-2012 ECONOMIC FORECAST & INDUSTRY OUTLOOK

Presented by

WEDNESDAY, FEBRUARY 16, 2011 • L.A. MARRIOTT DOWNTOWN • 7:00-10:30 A.M.

## JOIN US FOR THE RELEASE OF THE 2011-2012 ECONOMIC FORECAST REPORT AND THE FIRST-EVER REPORT ABOUT THE ECONOMIC TIES BETWEEN JAPAN AND LOS ANGELES COUNTY

**PANEL 1** • Together we celebrate the Japan Business Association's 50<sup>th</sup> Anniversary. Japan is the top foreign investor in L.A. County with over 1,400 foreign-owned and -affiliated businesses. LAEDC Chief Economist Dr. Nancy D. Sidhu of the Kyser Center for Economic Research will unveil the LAEDC's second-in-a-series of key country reports which will focus on the important relationship between Japan and L.A. County. Highlighting the significant impact of Japanese companies on our region's economy, this panel will feature presentations from selected Japanese firms representing key L.A. County industry clusters about why they chose to do business here and why they continue to stay.

**PANEL 2** • This panel will feature the presentation of the LAEDC's 2011-2012 economic outlook report by Chief Economist Dr. Nancy D. Sidhu and a discussion with industry experts on the regional economy.

The LAEDC Kyser Center for Economic Research will release the first-ever report about the economic ties between Japan and L.A. County and the 2011-2012 Economic Forecast & Industry Outlook report at this event.

The LAEDC Economic Forecast & Industry Outlook is the premier source for in-depth economic information and analysis on L.A. County and the surrounding areas.
