

**Mike Sebring**

Director of Inclusion and Diversity  
MUFG Americas

Mr. Sebring is a Director of the Inclusion and Diversity (I&D) team which oversees the I&D strategy in the Americas. He took on this role in June of 2015 previously acting as a Managing Director in Seattle for the retail bank. Mr. Sebring has been recognized throughout his 20 year banking career for his dedication to community, volunteerism, board participation, and ability to rally people for a common cause. In the seven years he has been with the bank, Mr. Sebring worked in Los Angeles overseeing the Priority Banking program before taking on the role of Regional Manager and moving to the Pacific Northwest to help with the Frontier Bank acquisition. Having moved 25 times since the year 2000, Mr. Sebring has been able to build very strong partnerships across the west coast while managing multiple wealth management and retail banking teams. His passion for I&D and success in banking was the perfect combination to take on this new role.

Mr. Sebring has a Bachelor of Science degree from Arizona State University, is a graduate of Pacific Coast Banking School, and holds a six sigma green belt certification. He currently resides in Tempe, AZ.
